TILQUIN FRUIT EXTRAVAGANZA 2024

Gueuzerie Tilquin is located in Bierghes in the Senne Valley and is the only gueuze blendery in Wallonia, Belgium. A gueuzerie, or Geuzestekerij in Dutch, is an enterprise where Gueuze à l’ancienne (or Oude Geuze) is blended. Freshly brewed worts are purchased from different producers (Boon, Cantillon, Girardin & Lindemans) in the region (Payottenland and Brussels), and pumped in oak barrels for spontaneous fermentation and aging, during 1, 2 or 3 years. The lambics are blended, and then bottle or keg conditioned. Many of Tiquin's blends are then aged on various fruits. Today is a showcase of how wonderful lambic and fruit pair together! Join us in celebrating the world's most special beer style. Santé!
